Krakow Shuttle

This seems like an easy and convenient way to get to the Hotel Qubus from the airport. Just bear in mind that it is more expensive than the other means of transportation mentioned here.

How to get to Hotel Qubus from the Main Railway Station (Stop for trains and airport bus 208 and 292 - "Politechnika")

- The walk is about 3.5 km (see map on next page). It is unfortunately unknown whether the suggested route is suitable for pedestrians.
- There will be taxis available at the station. *Always ask for the price before starting your journey!* Scam taxis are known to occur. Regular taxis should have a price list easy visible and the price should be a few zlotys per km.
- Take tram number 79 from the stop Politechnika or Dworzec Gl. Zachód (Galeria). Change for tram number 11 at Pl. Bohaterów Getta. Get off tram number 11 at Korona. This tram stop should be located close to the Hotel Qubus.
